NOTICE OF EX PARTE COMMUNICATION

Pursuant Rule 8.3 of the Commission’s Rules of Practice and Procedure, Monterey Peninsula Water Management District (“MPWMD”) an interested party in the above-captioned matter, hereby files the following notice of ex parte communication. At approximately 9:00 AM on Thursday, May 26, 2016, Thomas J. MacBride, Jr. counsel for MPWMD telephoned Lester Wong, Advisor the Commissioner Liane Randolph, at the Commission’s Offices in the State Building at 505 Van Ness Avenue in San Francisco, California. The conversation lasted approximately seven minutes. No other persons participated in the conversation.

During the conversation, Mr. MacBride expressed MPWMD’s concern over the delay in the Commission’s response to the California Supreme Court’s Decision in *Monterey Peninsula Water Management District v. California Public Utilities Commission* 62 Cal. 4th 693 2016 Cal. LEXIS 45 (January 25, 2016). Mr. MacBride noted that four months had passed since the issuance of the Court’s decision. Mr. MacBride advised Mr. Wong that all the active parties to the proceeding believe that the Commission should, consistent with the Court’s opinion, formally agree that the California-American Water Company (“Cal-AM”) may resume collecting the MPWMD User Fee as Cal-Am had for three decades prior to this proceeding. Mr. MacBride

noted that such an outcome was consistent with the All-Party Settlement submitted at the outset of this docket.

Respectfully submitted May 26, 2016 at San Francisco, California.
